Encik Mohamed Ridza Bin Mohamed Abdulla is currently the Senior Independent Non-Executive Director of the Company who has served the Board since 7 November 2007. He has served as an Independent Non-Executive Director of the Company for cumulative term of more than nine (9) years and in applying the recommendation under the Malaysian Code of Corporate Governance, the Board has assessed with and with the recommendation of the Nomination Committee would strongly recommend to the members of the Company to vote in favour of the resolution for Encik Mohamed Ridza Bin Mohamed Abdulla to continue to act as an Independent Non-Executive Director. This is because he has demonstrated throughout the term of his office to be independent not only by the mere fulfilment of the criteria under the definition of Independent Director in the Main Market Listing Requirements of Bursa Securities but subjectively too by providing objectivity, independent judgement and balance to Board deliberations. He provides wise and thoughtful counsel to the Board on a broad range of issues and has an active role in Board Committees to ensure good governance and risk management. His length of service on the Board does not in any way interfere with his exercise of objective judgement or his ability to act in the best interests of the Company and Group. He also has the necessary knowledge of the Group's business operations to make informed decisions.
